## DANGEROUS CLADDING REMEDIATION

Thank you for your request to the National Audit Office (NAO) dated 3 December 2024. You asked for the names of the 29 developers that have signed up to a joint plan under which the government and developers work together to accelerate progress on developer-led cladding remediation.

The NAO does not hold this information as it relates to actions post the publication of our report [Dangerous cladding: the government's remediation portfolio](#).

However, the information you requested has been published by the Ministry of Housing, Communities and Local Government. The names of the 29 developers that have signed up to the plan are listed at the bottom of this page [Joint plan to accelerate developer-led remediation and improve resident experience - GOV.UK](#).

In addition, the names of the 54 developers that signed the government's earlier developer remediation contract are also in the public domain at the bottom of this page [Developer remediation contract - GOV.UK](#).

I hope you are happy with the way we have handled your request. If you are not happy with this response, you can ask for an internal review within 40 working days by writing to the NAO FOI Team at [FOI@nao.org.uk](mailto:FOI@nao.org.uk). If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The primary way of escalating your concerns to the Information Commissioner is at: <https://ico.org.uk/foicomplaints>.

Yours sincerely,

NAO FOI Team
