"What proportion of electricity consumed on the departmental estate comes from renewable sources."

We have considered your request in accordance with the terms of the Freedom of Information Act 2000 (FOIA) and can confirm that 100% of the electricity consumed on the NAO's departmental estate comes from renewable sources. Further detail can be found in our [National Audit Office Annual Report and Accounts 2024-25](#), specifically Figure 29 on page 195.

Our policy is to respond to requests as helpfully and promptly as possible. I hope this information is helpful and you are happy with the way we have handled your request. If you are not happy with this response, you can ask for an internal review within 40 working days by writing to the NAO FOI Team at FOI@nao.org.uk. If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision.
